SOUTHERN DISTRICT OF NEW YORK

UNITED HEALTHCARE OF NEW YORK, INC.,
ET AL.,

Plaintiffs,

- against -

MARIA T. VULLO,

Defendant.

JOHN G. KOELTL, District Judge:

This Court requests that the United States of America submit an amicus brief regarding the arguments made by the parties in the defendant's motion to dismiss and the plaintiff's cross-motion for summary judgment. While the Government can comment on any issue in which it has an interest, the Court specifically requests that the Government and/or the United States Department of Health and Human Services address the arguments in the parties' papers regarding whether the New York State regulation entitled "Establishment and Operation of Market Stabilization Mechanisms for Certain Health Insurance Markets", 11 N.Y.C.R.R. 361 amend. 6, is preempted by the Affordable Care Act and its implementing regulations. While this Order is being directed to the United States Attorney's Office for this District through the Chief of the Civil Division, the Office is requested to convey the Order to the appropriate official to respond.
