

**IN THE UNITED STATES COURT OF APPEALS
FOR THE DISTRICT OF COLUMBIA CIRCUIT**

UNITED STATES HOUSE OF
REPRESENTATIVES,

Plaintiff-Appellee,

v.

No. 16-5202

SYLVIA M. BURWELL, in her official
capacity as Secretary of Health and
Human Services; and JACOB J. LEW,
in his official capacity as Secretary
of the Treasury,

Defendants-Appellants.

**DECLARATION OF GUSTAVO PARKER
IN SUPPORT OF HIS MOTION FOR LEAVE TO INTERVENE**

I, Gustavo Parker, declare as follows:

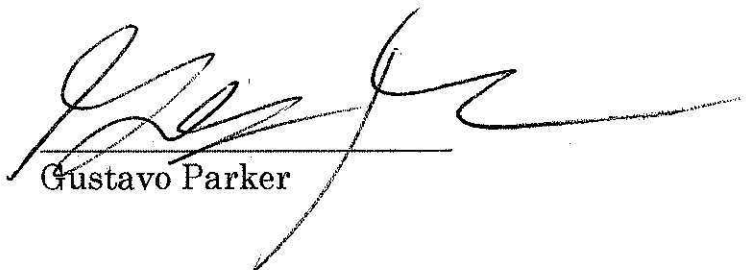

1. I am a United States citizen and a resident of Fresno, California.
2. My estimated annual household income for 2017 is between 138% and 250% of the applicable Federal Poverty Level.
3. I have purchased a Silver Plan health insurance policy with Kaiser Permanente through the California insurance exchange. My Silver Plan policy covers me for the 2017 coverage year, and I will pay a monthly premium of approximately \$103 in 2017.

4. I have adult-onset ADHD, and I obtain medication for that condition using my health insurance coverage.

5. I work in electronics recycling. My job requires a great deal of concentration because I have to pick out small parts from phones and other electronics, which can contain the personal information of their former owners.

6. Without my medication, I would be unable to do my job effectively. I am very concerned that if I no longer had access to my medication, I would lose my job and my ability to support myself.

I declare under penalty of perjury that the foregoing is true and correct. Executed at Fresno, CA, on December 19, 2016.
