ORDER OF COURT

Entered: December 21, 2018

The federal defendants in this appeal have filed a motion to govern further proceedings, asking that the appeal be permitted to go forward. We resolve the motion as follows: the appeal may continue to the completion of briefing. The government's brief shall be due on **January 9, 2019** and the Commonwealth's reply within the time thereafter as is provided by the rules. We take no position on the views of the parties as expressed in their filings as to whether the appeal, or any part thereof, is moot, and the parties shall address that issue thoroughly in the remaining briefing.
