If the department is unable to submit the request by the date specified in the implementation plan, the department may request from the joint committee on finance an extension not to exceed 90 days in a written submission that includes a report on the progress toward submission of the request and the reason an extension is needed. If the cochairpersons of the joint committee on finance do not notify the department within 14 working days after the date of the request for an extension under this subdivision that the committee has scheduled a meeting for the purpose of reviewing the extension request, the extension is considered granted.
