Charles Smith, et al  
USDC No. 1:15-CV-1058

Dear Counsel:

When the appellant filed the February 1, 2019 original motion to stay the district court's preliminary injunction, the appellant's petition for rehearing en banc was pending. On February 4, 2019, the court sua sponte issued an order directing en banc review.

Also on February 4, but after the court's action, the appellees filed a response/opposition to the request for stay of injunction.

The appellant is directed to reply to the appellees' response and address what impact the court's decision to rehear the

matter en banc has on appellant's motion, including but not limited to mootness.

Reply is due by close of business Thursday, February 7, 2019.

Sincerely,

LYLE W. CAYCE, Clerk
