PROCEDURES FOR FILING A TRANSCRIPT OF ORAL ARGUMENT

When the Court directs counsel to prepare a transcript of oral argument in a case(s), the parties shall designate one attorney to be **liaison counsel** for the purpose of coordinating the production of the transcript. **Liaison counsel** shall contact **Tiffany L. Grier (267) 299-4905** of the Calendar Unit of the Third Circuit Clerk's Office (Room 21400) after argument to obtain the necessary information regarding the filing of the transcript of oral argument.

Liaison counsel shall contract a court reporting service to make arrangements for the transcription of the oral argument and inform the Clerk's Office Calendar Unit of the identity of the court reporter or agency. The Clerk's Office will then provide the designated court reporting service with the audio recording via electronic means.

After the transcript is completed, the court reporter shall provide the transcript to all counsel in the case. **Liaison counsel** shall file the certified original transcript electronically through **CM/ECF** and **(3) hard copies** of the transcript with the Clerk's Office, including the court reporter's certification and a certification of accuracy from liaison counsel on behalf of all parties. If corrections are necessary to the transcript, liaison counsel shall coordinate with the court reporter corrections requested by all counsel, and the final corrected version of the transcript shall be filed by liaison counsel. Corrections should be given to liaison counsel within (3) days of receipt of the transcript. Liaison counsel shall file the transcript with the Clerk's Office **no later than (14) days after oral argument** unless the Court directed a specific deadline.

Unless the Court directed otherwise, the counsel are to split the cost of the transcript.
