Pursuant to Fed. R. App. P. 3(c)(1), The Family Planning Association of Maine d/b/a Maine Family Planning, on behalf of itself, its staff, and its patients; and J. Doe, DO, MPH, individually and on behalf of Dr. Doe’s patients, plaintiffs in the above-named case, appeal to the United States Court of Appeals for the First Circuit from the district court’s order denying Plaintiffs’ Motion to Amend the Preliminary Injunction Order, dated August 9, 2019 (ECF No. 84), and from the district court’s order denying Plaintiffs’ Motion for Preliminary Injunction, dated July 3, 2019 (ECF No. 77).¹

¹ After the Court denied Plaintiffs’ Motion for Preliminary Injunction on July 3, 2019 (ECF No. 77), Plaintiffs filed their motion to amend pursuant to Rules 59 and 60 of the Federal Rules of Civil Procedure on July 19 (ECF No. 78). Pursuant to Rule 4 of the Federal Rules of Appellate Procedure, therefore, Plaintiffs’ time to appeal from both orders runs from the August 9 denial of the latter motion.

Dated: August 15, 2019

Respectfully submitted,
