ORDER

On June 26, 2020, the parties filed a stipulation for entry of judgment, ECF No. 20, in this matter. Therein, the parties “jointly request that the Court enter judgment in favor of Health Alliance in the amount of \$32,537,421.97 on Count I of the Complaint in Case No. 17-653C (risk corridors benefit years 2014 and 2015) and on Count I of the Complaint in Case No. 17-1759C (risk corridors benefit year 2016).” ECF No. 20 at 2-3. The parties “further request that the Court dismiss Count II of the Complaint in Case No. 17-653C, and Count II of the Complaint in Case No. 17-1759C with prejudice.” *Id.* at 3.

While the court commends the parties in finalizing settlement in this matter, it cannot issue judgment in these matters as if they were consolidated cases. As such, the clerk’s office is directed to **STRIKE** the parties’ stipulation for entry of judgment, **ECF No. 20**, for the above-stated defect. On or before **July 7, 2020**, the parties are directed to **FILE** a **joint stipulation of dismissal** setting forth only those matters in this case.

IT IS SO ORDERED.
