ORDER

Pursuant to the Stipulation for Entry of Final Judgment, the Court **ACCEPTS** the following:

That the Supreme Court’s decision in *Maine Community Health Options* entitles BCBSKC to receive payment of damages from the United States under ACA section 1342 for risk corridors benefit years 2014, 2015, and 2016 in the total amount of \$15,265,443.02 (“Stipulated Damages Amount”). The Parties further agree that receipt of this full payment will resolve entirely the Amended Complaint in this case.

Accordingly, the Court enters final judgment in favor of Alliant Health Plans, Inc. in the total damages amount of \$15,265,443.02 on Count I of the Complaint. The Court dismisses Counts II, and III of the Amended Complaint with prejudice.

Furthermore, upon entry of final judgment in the Stipulated Amount, Alliant Health Plans, Inc. (HIOS No. 83761) and any and all of the named Plaintiff’s affiliated entities, release the United States, its agencies, instrumentalities, officers, agents, employees, and servants, from all claims (including attorney fees, costs, and expenses of every kind and however denominated) that Alliant Health Plans, Inc. (HIOS No. 83761) and any and all of the named Plaintiff’s affiliated entities, has asserted, could have asserted, or may assert in the future against the United States its agencies, instrumentalities, officers, agents, employees, and servants, arising under or related to Section 1342 of the ACA.

The Clerk is directed to enter judgment accordingly.

IT IS SO ORDERED.
