ORDER

On July 8, 2020, plaintiff in the above-captioned case filed a motion for approval of its proposed class action notice plan, attaching a proposed class action notice and opt-in form. Defendant filed a response on July 15, 2020, indicating that it does not oppose the motion. The court has reviewed the proposed notice, opt-in form, and notice plan, and finds them to be acceptable. It therefore GRANTS plaintiff's motion.

In accordance with the schedule proposed by plaintiff, class counsel shall distribute the notice to the potential class members by no later than Tuesday, August 4, 2020. Potential class members shall be required to return their opt-in forms by no later than Monday, October 5, 2020. Class counsel shall "certify final membership in the Class by identifying the name of each member of the Class to the Court and providing to the Court and Defendant a copy of the opt-in form completed by each Class member and submitted to Class counsel" by no later than Wednesday, November 4, 2020.

IT IS SO ORDERED.
