JOINT STATUS REPORT

By Order of August 26, 2020, the Court directed the parties to file a joint status report by September 25, 2020, if they have not yet filed a stipulation for entry of judgment. Dkt. No. 24. In accordance with the Court's Order, the parties jointly report as follows:

The Parties continue to work diligently together to attempt agreement on a stipulation for entry of judgment on the risk corridors claims. This process includes the exchange of information about the appropriate damages amount.

The Parties ask for an additional 30 days within which to file a stipulation for entry of judgment. At the end of that period, if agreement cannot be reached and a stipulation filed with the Court, then, by October 26, 2020, the Parties will file a joint status report with the proposed next steps in this litigation.
