Appellants respectfully move the Court for an order enlarging the time to respond to Appellees' Petition for Rehearing En Banc in this matter by 60 days. On January 20, 2021, the Court ordered Appellants to file a response to the petition by February 10, 2021. If the Court grants this enlargement of time, Appellants' response would be due on April 12, 2021. In an email dated February 3, 2021, counsel for Appellees represented that Appellees consent to this extension.

Good cause exists for this Court to grant Appellants' request for enlargement. On January 20, 2021, due to the change in administrations, there was new leadership at the Department of Justice. This extension would allow new leadership at the Department of Justice and other interested agencies to become familiar with the issues in this case before filing a response.

Therefore, Appellants ask this Court to extend the deadline to respond to the petition until April 12, 2021.
