20 *Defendants.*

Case No. 19-cv-4717 (PJH)

NOTICE

Courtroom 3
 Hon. Phyllis Hamilton
 Trial date: Not set

22 On February 19, 2021, Defendants reported that “the Department of Homeland Security
 23 [(“DHS”)] [was] reviewing the rule that is the subject of this lawsuit.” Joint Status Rep. 2, ECF
 24 No. 155. Defendants committed to notifying the Court promptly of any decisions arising from that
 25 review that may impact this litigation. *Id.*

26 Accordingly, Defendants hereby notify the Court that, yesterday (March 9, 2021), DHS
 27 released a statement indicating that (i) it “has determined that continuing to defend the final rule,
 28

1 Inadmissibility on Public Charge Grounds . . . is neither in the public interest nor an efficient use
 2 of limited government resources,” (ii) the Department of Justice is no longer “pursu[ing] appellate
 3 review of judicial decisions invalidating or enjoining enforcement of the 2019 Rule,” and (iii)
 4 “[o]nce the previously entered judicial invalidation of the 2019 Rule becomes final, the 1999
 5 interim field guidance on the public charge inadmissibility provision (i.e., the policy that was in
 6 place before the 2019 Rule) will apply.” *See* Ex. A.

7 Consistent with DHS’s statement, Defendants filed a motion to dismiss voluntarily their
 8 appeal of the Northern District of Illinois’s Order granting Plaintiffs’ Motion for Summary
 9 Judgment, and permanently vacating the 2019 Rule (ECF No. 221). *See* Unopposed Motion to
 10 Voluntarily Dismiss, No. 20-3150 (7th Cir. Mar. 9, 2021), ECF No. 23. The Seventh Circuit
 11 promptly granted this motion, and concurrently issued its mandate. *See* Order Dismissing Appeal,
 12 No. 20-3150 (7th Cir. Mar. 9, 2021), ECF No. 24-1; Notice of Issuance of Mandate, No. 20-3150
 13 (7th Cir. Mar. 9, 2021), ECF No. 24-2.

14 Shortly afterwards, DHS issued another statement, confirming that “[f]ollowing the
 15 Seventh Circuit dismissal,” the “final judgment from the Northern District of Illinois, which
 16 vacated the 2019 public charge rule, went into effect” and, “[a]s a result, the 1999 interim field
 17 guidance on the public charge inadmissibility provision (i.e., the policy that was in place before
 18 the 2019 public charge rule) is now in effect.” *See* Ex. B.

19
 20 Dated: March 10, 2021

Respectfully submitted,

21

DHS Statement on Litigation Related to the Public Charge Ground of Inadmissibility

Release Date: March 9, 2021

On February 2, 2021, the President issued Executive Order 14,012, directing the Secretary of Homeland Security to review the actions of the Department of Homeland Security (DHS or Department) related to the implementation of the public charge ground of inadmissibility. Consistent with the Executive Order, DHS has begun its review, as well as its consultation with other relevant agencies.

As part of its review, DHS has determined that continuing to defend the final rule, Inadmissibility on Public Charge Grounds, 84 Fed. Reg. 41,292 (Aug. 14, 2019) (2019 Rule), is neither in the public interest nor an efficient use of limited government resources. Consistent with that decision, the Department of Justice will no longer pursue appellate review of judicial decisions invalidating or enjoining enforcement of the 2019 Rule.

Once the previously entered judicial invalidation of the 2019 Rule becomes final, the 1999 interim field guidance (<https://www.federalregister.gov/documents/1999/05/26/99-13202/field-guidance-on-deportability-and-inadmissibility-on-public-charge-grounds>) on the public charge inadmissibility provision (i.e., the policy that was in place before the 2019 Rule) will apply. Under the 1999 interim field guidance, DHS will not consider a person's receipt of Medicaid (except for Medicaid for long-term institutionalization), public housing, or Supplemental Nutrition Assistance Program (SNAP) benefits as part of the public charge inadmissibility determination. In addition, medical treatment or preventive services for COVID-19, including vaccines, will not be considered for public charge purposes.

DHS and USCIS will provide additional updates regarding the administration of the public charge ground of inadmissibility, including announcing when DHS will cease applying the 2019 Rule.

For more information on equal access to vaccines and vaccine distribution sites specifically, please see DHS's February 1 statement (<https://www.dhs.gov/news/2021/02/01/dhs-statement-equal-access-covid-19-vaccines-and-vaccine-distribution-sites>) on that subject.

DHS Secretary Statement on the 2019 Public Charge Rule

Release Date: March 9, 2021

Today, DHS Secretary Alejandro N. Mayorkas announced that the government will no longer defend the 2019 public charge rule as doing so is neither in the public interest nor an efficient use of limited government resources.

“The 2019 public charge rule was not in keeping with our nation’s values. It penalized those who access health benefits and other government services available to them,” said Secretary of Homeland Security Alejandro N. Mayorkas. “Consistent with the President’s vision, we will continue to implement reforms that improve our legal immigration system.”

President Biden’s Executive Order on Restoring Faith in Our Legal Immigration Systems and Strengthening Integration and Inclusion Efforts for New Americans called for an immediate review of agency actions on public charge inadmissibility and deportability. DHS’s review, in consultation with the Departments of Justice and State and the federal benefits-granting agencies, is ongoing.

As discussed in DHS’s [litigation statement](http://www.dhs.gov/news/2021/03/09/dhs-statement-litigation-related-public-charge-ground-inadmissibility) (<http://www.dhs.gov/news/2021/03/09/dhs-statement-litigation-related-public-charge-ground-inadmissibility>), and consistent with the government’s decision not to defend the rule, the Department of Justice is no longer pursuing appellate review of judicial decisions invalidating or enjoining enforcement of the 2019 public charge rule. Today, the Department of Justice dismissed its pending appeals in the Supreme Court and Seventh Circuit, and is in the process of doing so in the Fourth Circuit. Following the Seventh Circuit dismissal this afternoon, the final judgment from the Northern District of Illinois, which vacated the 2019 public charge rule, went into effect. As a result, the 1999 interim field guidance on the public charge inadmissibility provision (i.e., the policy that was in place before the 2019 public charge rule) is now in effect.
