

**STATE OF WASHINGTON
OFFICE OF THE INSURANCE COMMISSIONER**

In the Matter of

**AMERICAN PARTNERSHIP GROUP,
LP,**

Respondent.

Order No. 21-0101

FEIN: 83-2113355

**ORDER TO CEASE AND DESIST
AND IMPOSING A FINE**

Pursuant to RCW 48.02.080(3)(a) and RCW 48.15.023(5)(a), the Insurance Commissioner of the state of Washington (“Insurance Commissioner”) orders the above-named Respondent, and its officers, directors, trustees, employees, agents, and affiliates to immediately cease and desist from:

- A. Engaging in or transacting the unauthorized business of insurance in the state of Washington;
- B. Seeking, pursuing, and obtaining any insurance business in the state of Washington;
- C. Soliciting Washington residents to purchase any insurance to be issued by an unauthorized insurer; and
- D. Soliciting Washington residents to induce them to purchase any insurance contract.

BASIS:

1. American Partnership Group, LP (“APG”), was formed in Georgia on October 2, 2018, by Jonathan Crumly. It is principally located in Georgia. APG is not authorized to provide insurance in Washington State.

2. A previous investigation into Adroit Health Group, LLC (“Adroit”) revealed that Adroit sold unauthorized insurance products, MEC Visit and MEC Basic plans, which were “sponsored” by APG.

3. Enrollees who chose MEC Visit or MEC Basic plans, signed an application, wherein they agreed to the following, “I understand that I am enrolling in the MEC [Visit/Basic] plan and as a New Limited Partner of the APG. (Click [HERE](#) to view the APG agreement.)” The

agreement stated that APG was a non-profit entity and that the enrollee had a one millionth percent interest in the limited partnership, and that the enrollee is not entitled to distributions of any kind from APG. The enrollee is joining APG “to participate in its mission and nonprofit work.”

4. Enrollees automatically sign a joinder agreement, wherein APG gives a limited partnership interest in APG (one millionth percent). The agreement is automatically signed by the enrollee when they fill out their application, but members do not receive a copy signed by APG. These agreements expressly state that the enrollee is not entitled to distributions, and the enrollee’s interest in the partnership is a “gift.”

5. Based on information provided by Adroit, 676 Washington consumers purchased a MEC Visit or MEC Basic plan, wherein APG acted as the obligor. Based on information received from consumers, some of these plans were converted to Alliance for Shared Health plans, in or around March 2019. APG did not respond to OIC’s request for information.

6. RCW 48.02.080(3)(a) provides if the Insurance Commissioner has cause to believe that any person is violating or is about to violate any provision of this code or any regulation or order of the Insurance Commissioner, he or she may issue a cease and desist order.

7. RCW 48.05.030 provides no person shall act as an insurer and no insurer shall transact insurance in this state other than as authorized by a certificate of authority issued to it by the Insurance Commissioner and then in force; except, as to such transactions as are expressly otherwise provided for in this code.

8. RCW 48.15.020(1) provides an insurer that is not authorized by the Insurance Commissioner may not solicit insurance business in this state or transact insurance business in this state, except as provided in this chapter.

9. RCW 48.15.020(2) provides that a person may not, in this state, represent an unauthorized insurer except as provided in this chapter.

10. RCW 48.15.023(5)(a) provides if the Insurance Commissioner has cause to believe that any person has violated the provisions of RCW 48.15.020(1), the Insurance Commissioner may issue and enforce a cease and desist order in accordance with the provisions of RCW 48.02.080; and/or assess a civil penalty of not more than twenty-five thousand dollars for each violation, after providing notice and an opportunity for a hearing in accordance with chapters 34.05 and 48.04 RCW.

11. RCW 48.42.010(1) provides notwithstanding any other provision of law, and except as provided in this chapter, any person or other entity which provides coverage in this state for life insurance, annuities, loss of time, medical, surgical, chiropractic, physical therapy, speech pathology, audiology, professional mental health, dental, hospital, or optometric expenses, whether the coverage is by direct payment, reimbursement, the providing of services, or otherwise, shall be subject to the authority of the state Insurance Commissioner, unless the person or other entity shows that while providing the services it is subject to the jurisdiction and regulation of another agency of this state, any subdivisions thereof, or the federal government.

12. RCW 48.42.020(1) provides a person or entity may show that it is subject to the jurisdiction and regulation of another agency of this state, any subdivision thereof, or the federal government, by providing to the Insurance Commissioner the appropriate certificate, license, or other document issued by the other governmental agency which permits or qualifies it to provide the coverage as defined in RCW 48.42.010.

13. RCW 48.42.030 provides any person or entity which is unable to show under RCW 48.42.020 that it is subject to the jurisdiction and regulation of another agency of this state, any subdivision thereof, or the federal government, shall submit to an examination by the Insurance Commissioner to determine the organization and solvency of the person or the entity, and to determine whether or not such person or entity complies with the applicable provisions of this title.

14. RCW 48.42.040 provides any person or entity unable to show that it is subject to the jurisdiction and regulation of another agency of this state, any subdivision thereof, or the federal government, shall be subject to all appropriate provisions of this title regarding the conduct of its business including, but not limited to, RCW 48.43.300 through 48.43.370.

15. The Respondent's actions described herein violate Insurance Code provisions that include RCW 48.05.030(1) [Certificate of Authority required], RCW 48.15.020(1) [solicitation by insurer not authorized prohibited].
