Appellants respectfully move the Court for an order enlarging the time to respond to Appellees' Petition for Rehearing En Banc in this matter by an additional 60 days. On January 20, 2021, the Court ordered Appellants to file a response to the petition. On February 9, 2021, the Court granted Appellants' first motion for an extension of time and reset the deadline for Appellants' response to April 12, 2021. If the Court grants this enlargement of time, Appellants' response would be due on June 11, 2021.

Good cause exists for this Court to grant Appellants' request for enlargement. New leadership at the Department of Justice and other interested agencies require additional time to evaluate the issues in this case before filing a response. Appellants have conferred with counsel for Appellees, who stated that they do not oppose this request for additional time.

Accordingly, Appellants respectfully request that the Court extend the deadline to respond to the petition to June 11, 2021.
