Lyle Cayce, Clerk
U.S. Court of Appeals for the Fifth Circuit

Re: No. 21-10302, *Leal v. Becerra et al.*

Dear Mr. Cayce:

I write to notify the Court that no Appellee's Brief will be filed in this case on behalf of the Texas Department of Insurance ("TDI") and Commissioner Kent Sullivan. Appellants have chosen "not [to] pursu[e]" in this Court their claims against TDI and Commissioner Sullivan, which were dismissed by the district court on jurisdictional grounds. AOB at 14 n.4.

Because Appellants' claims against TDI and Commissioner Sullivan have been dismissed in the district court and "not pursu[ed]" on appeal, *id.*, TDI and Commissioner Sullivan respectfully request that this Court dismiss them from this appeal.

Respectfully submitted.

/s/ William F. Cole
