ORDER

On September 20, 2021, the parties filed a Joint Status Report requesting that the Court extend the stay in this case for an additional 45 days as they discuss the potential resolution of Plaintiffs’ cost-sharing reduction (“CSR”) claims. ECF No. 20 at 2. The parties contend that good cause exists to continue the stay for this purpose, given the complexity of the CSR cases, the number of interested stakeholders, and the continuing development of a proposal to resolve the damages and mitigation issues. *Id.* The parties again request that they be allowed to file a joint status report or joint stipulation of dismissal at the conclusion of the 45-day period. *Id.*

Having considered the proposal, the Court **GRANTS** a continuation of the **STAY**. The parties shall file either a joint status report or a stipulation of dismissal **by no later than November 4, 2021**.

SO ORDERED.
