ORDER

On September 16, 2021, pursuant to the Court’s Order dated August 16, 2021 (ECF No. 54), the parties filed a Joint Status Report (ECF No. 55), informing the Court that the parties’ resolution efforts are still ongoing. The report advises that Plaintiffs’ counsel is presently developing a proposal to resolve the damages and mitigation issues that remain in the Cost Sharing Reduction (“CSR”) cases, which he intends to share, once completed, with the Defendant. The parties request that the Court continue the stay for an additional 45 days to permit the parties to continue discussions regarding a potential resolution of this matter.

The Court **GRANTS** this request and **ORDERS** the parties to submit, by no later than November 4, 2021, a joint status report updating the Court on their efforts and, if necessary, proposing further proceedings in this case.

SO ORDERED.
