MOTION TO WITHDRAW
TEXAS’S MOTION TO CONDUCT EXPEDITED DISCOVERY

The parties met and conferred concerning discovery on Friday, September 18, 2021. Following the meet and confer on September 18, 2021, the United States agreed to produce the documents relied upon or referenced by their declarants but opposed any depositions of their seven declarants. Based on that opposition, the State of Texas filed its *Motion to Conduct Expedited Discovery* on Monday, September 20, 2021. ECF 20. The Court set a hearing on the motion for Wednesday, September 22, 2021, at 3:00 p.m., and required the United States to file a response to State’s motion by 12:00 CST on September 22, 2021.

After receiving the United States’s response, counsel for the State of Texas again reached out to confirm the United States’s position on depositions, and after fruitful exchanges, the parties were able to reach an agreement to conduct depositions in advance of next week’s hearing. Because the parties have reached an agreement on conducting depositions in advance of next week’s hearing, the State of Texas respectfully moves to withdraw the *Motion to Conduct Expedited Discovery*.

CONCLUSION

Based on the foregoing, the Court should grant the relief requested herein.

Date: September 24, 2021

Respectfully submitted.
