PARTIES' JOINT STATUS UPDATE

Pursuant to the Court's order (ECF#87), the Parties write to report that they have made significant progress addressing the data issue that necessitated the Parties' joint request for the continuance of the preliminary approval hearing. However, research is still being conducted on a small number of individuals to determine if they fall within the proposed settlement class, so that appropriate notice can be provided to all class members if preliminary approval is granted. The Parties anticipate that this review will be complete within two weeks, and will file a further status report by that time either indicating that the matter is ready for the preliminary approval hearing to be scheduled or indicating that further time will be needed.

RESPECTFULLY SUBMITTED,
