Other Relief Issues. At the November 29, 2023, hearing, the Plaintiffs' counsel seemed to indicate that the named Plaintiffs were now only seeking class wide relief. By January 12, 2024, the Plaintiffs should be ordered to clarify, in writing, on the record, whether they are abandoning their individual claims for damages, without prejudice to reprocessing claims. The Plaintiffs make a claim for attorneys' fees and costs in their Amended Complaint. Other than those claims, the Plaintiffs should also clarify what relief issues, if any, remain.

IT IS SO ORDERED.

The Clerk is directed to send uncertified copies of this Order to all counsel of record and to any party appearing pro se at said party's last known address.

Dated this 19th day of December, 2023.

ROBERT J. BRYAN
United States District Judge
